

SECRET

ROUTING AND RECORD SHEET

4. General Counsel

8. DC/SP

4 to 8:

20 March 1951

Discussed this with Chief Counsel, Bureau of Internal Revenue. A new form has been prepared which will require more information, particularly on purposes for which philanthropic funds are spent. I believe, however, our liaison with Internal Revenue can handle this so that the returns can be completed without revealing classified information.

LAWRENCE R. HOUSTON
General Counsel
